## Maths Competition at Lydiard Park Academy

Children from year 1 to year 6 were chosen by their teacher to attend a maths competition at Lydiard Park Academy. Seven schools were participating to play competitive maths games which the children had been learning in their classrooms. The eleven children who were chosen played with great enthusiasm and sportsmanship. They really did themselves and Millbrook proud!

Well done to:

### Parking

Please do not park or drop off in the disabled parking bays unless you are a blue badge holder.

May we also remind you that parents must not park in the school car park and should use either the church car park or Freshbrook Centre car park when bringing children to school. We have also been made aware of some inconsiderate parking on Gainsborough Way. Please do not park on the double lines or in such a way as to endanger the lives of children.

We have been informed that the Freshbrook Centre car park is going to be refurbished in the coming months and so while the work is taking place please use the church car park.
