Referrals

All referrals to be made via the secure Portal: www.swindondyslexia.co.uk

The Portal has been designed to make it easier for schools to submit referrals as most of the supporting documents ie Provision Maps, reports etc. are already stored electronically on school systems and can be easily uploaded onto the Portal to avoid photocopying. It has a comprehensive User Guide.

For all enquiries regarding the Swindon Dyslexia-SpLD Service Portal please contact:

Helen Bissex 01793 872800 Ext: 203 dyslexia@millbrook.swindon.sch.uk

We continually strive to evaluate and develop the Service and welcome your views –
