

Tuesday 12th September, 2017

Dear Parents/ Carers,

On Wednesday 27th September, as part of our Iron Age topic, we have arranged an exciting Iron Age Experience for the children here at school. We are asking for a voluntary contribution of £4 so that the day can happen. During the day, the children will take part in a variety of activities run by Experience The Iron Age, an outside specialist company.

Activities will include;

- Warrior training
- Iron Age clothing, weapons and tribal structures
- Shield art work
- Spear tip art work.

Thank you for your voluntary contribution which should be made via ParentPay. If not enough contributions are received to cover the cost of the day it may have to be cancelled.

Yours Sincerely,

Mr Brown and the Year 3 and 4 Team.
