18th January 2018

Dear Parents/Carers,

We are delighted that we have been able to arrange a visit from Taffy Thomas, the first Story Telling Laureate. We are extremely lucky to be able to offer this opportunity as his performances are inspirational. He will visit the school on Tuesday 30th January during National Story Telling week 2018. In order for the event to happen we are asking for a voluntary contribution of £2 per child.

All the children will take part in the exciting story telling performance which will be accompanied by folk musician Paul Knox, on the Northumbrian Pipes.

Thank you for your voluntary contribution which should be made via ParentPay. If you have not yet activated your ParentPay account and have mislaid your login details, please contact the school office. If not enough contributions are received to cover the cost of the day it may have to be cancelled.

Kind regards

Miss K Williams

Deputy Headteacher
