Thursday 1st March 2018

Dear Parents/Carers,

Millbrook Primary School will be closed on Friday 2nd March 2018

Having communicated with other local head teachers, I have made the decision to close Millbrook on Friday 2nd March due to the adverse weather conditions. This difficult decision has not been made lightly.

The severe cold and snow have caused issues with our heating and hot water, local transport and school taxis have been cancelled, deliveries have been delayed and many of the teachers have long journeys to work.

I hope that making the decision now, rather than early tomorrow morning or part way through the day tomorrow will make it easier for parents to organise childcare arrangements.

I apologise for any inconvenience caused.

Kind Regards,

Head teacher
