Sports Relief - Friday 23rd March 2018

Dear Parent/Carer,

As part of their JIGSAW work Year 5 and 6 have to plan a fund raising event and this year it coincides with Sports Relief.

Children will be asked to pay an all inclusive **£2** to take part in the activities and **wear sports themed clothing during the day**. We would appreciate it if you could pay this via ParentPay. Caterpillars parents and anyone unable to access ParentPay, please hand the cash to your class teacher.

From 1.30 pm classes will be timetabled to go out onto the playground and large field and participate in the sport activities that Year 5 & 6 have planned. Morning Caterpillars will do some activities during their morning session.

At 3.00 pm some of the Year 5 & 6 children will be holding an additional fund raising cake sale and a sports themed tombola for parents. Please could you support the children by donating cakes or purchasing them at the end of the day. We already have some brand new sports items which have been donated for the tombola!

Thank you in advance for your support in helping us raise funds for this good cause.

Kind regards

Mrs H Tucker
