This term we are doing
Athletics and Fencing

Please make sure that there is the correct kit in school and that it is clearly labelled. We will also be attempting to do our daily 10 minute run.

As the weather gets hotter, please ensure that your child is adequately provided with sun cream and sunhats. Please also remind them that they are responsible for applying their own sun protection.

Homework

Homework will be set on **Friday**. Please make sure that homework is **handed in** on **Wednesday** at the latest.

If children fail to do this then they will be expected to complete the homework in Falcon class on Thursday lunchtime. Please remind children to ask for help if they are unsure of what they have to do. We are here to help!

FAIRGROUNDS

This term we are starting a new topic on fairgrounds. This is an arts and design and technology based topic where the children will look at how fairground rides work and also design and make their own fairground models. They will explore how forces work and use graphic design skills in a range of ways. As always, we will be making cross curricular links to other subjects as much as we can.

Top Tips for SATs Success!

Please ensure your child gets a good night's sleep.
Make sure they know their times tables and learn their spellings.
Keep them calm, we only want them to do their best!

HASP BOOKS

WE HAVE NOTICED THAT A NUMBER OF CHILDREN ARE NOT BRINGING IN THEIR HASP BOOKS OR REPORTING THAT THEY DON'T HAVE THEM IN SCHOOL. These are the main form of communication between school and home. Please ensure that your child brings in their HASP book every day.

Thank you
