

Ladybird and Bumblebee

news...18/7/18

A huge **thank you** to all of you for your help and support this year. We have had a fantastic year with your children in Ladybirds and Bumblebees and we are proud of each and every one of them. We know that they will all continue to do really well in Year 1 and we look forward to seeing them in their new classes in September.

If your child has moved around the track this week then they will be receiving a **certificate**. As there is no Celebration Assembly they will have a celebration time in the classroom.

Today we are sending home your child's '**Experience Passport**'. When they have completed an 'experience' outside of school, tick it/sign it or write us a note in their HASP book and an adult will stamp it. When they have 30 stamps they will receive their Bronze sticker, 40 stamps will be their Silver and 50 will be their Gold. This passport is to last until the end of Key Stage 1 (Year 2), so there is no rush to do everything over the summer holidays. However, many of the ideas may inspire you over the coming weeks.

We have collected in all of the reading books today. If you find that you have any at home, do please return them by Friday so that we can put them back into our collection ready for next year. Thank you!
