

Ladybird and Bumblebee

news...02/10/2020

Please ensure your child has a coat at school every day. We will still be enjoying outside play in the colder and wet weather.

REMINDER

Only Packed Lunches will be available on Wednesday 7th October.

Your child can choose a sandwich filling of either cheese, ham or tuna.

A healthy lunch – could we ask that if you are providing your child with a **packed lunch** that you are able to make it **healthy** wherever possible. Some children are finding it difficult to finish their lunch and get out for playtime as they have so much in their lunch box. An example of a healthy lunch box could be a sandwich, a piece of fruit, a yoghurt and a packet of crisps/crackers. Please could we also ask that all grapes are cut in half lengthways as they are a choking hazard.

Term Dates:

22nd & 23rd October - Staff Training Days (No children in school)

26th - 30th October - October Holidays

Tuesday 3rd November - Ladybirds & Bumblebees return to school.

On Monday your child will come home with a name card and whiteboard pen. They should bring this to school **every day** in their bookbag. Please help them to practise writing their name.

Please encourage your child to get **dressed and undressed by themselves**, including putting their coat and shoes on independently.

PLEASE NAME ALL CLOTHES INCLUDING SHOES! THEY ARE HARD TO FIND WITHOUT NAMES.

What have we been up to this week?

We have been practising recognising initial sounds and rhyming words by play games on the Interactive Whiteboard.

We enjoyed a Welly Walk this week. We used our senses to explore the forest area looking for signs of Autumn

We have explored making different sounds with the instruments. Some children even made up their own songs to sing!

The children also enjoyed creating boats using recycling. We tested the boats on some water to see if they would float.
